Dear Participant:

2 Passions 1 Cause invites you to participate in the 2nd Annual 2 Passions 1 Cause, Best of Both Worlds, Total Look Competition and Fashion Extravaganza. This event will be held on Sunday, June 26, 2011 at the Kentucky International Convention Center in downtown Louisville, Kentucky.

This event will showcase you as one of the hottest and advanced hair stylists, and barbers in the region competing in a Total Look Competition for thousands in cash and prizes. Not only will you have the opportunity to display your talents, style and flair but you will be a part of a worthy cause. 2 Passions 1 Cause is the catalyst, for inspiring the community to provide organ and tissues to those in need.

Our purpose is driven by four main areas, kidney disease awareness, education, organ donation and support “Inside and Out”, health and beauty. Our host and event creator, Gerald Grady knows firsthand the plight of kidney disease and the need for more education. After becoming a kidney transplant recipient of three years and spending 11 years on dialysis treatment, Gerald’s passion for the education and prevention of this disease has become his mission. His goal is to utilize his experiences to get others aware, involved and committed to healthier living and to consider the need and importance of registering to become an organ donor. One organ donor can save up to seven lives.

With your help, we will be able to promote the joy of health and beauty both inside and out. This event will bring heightened awareness to the risk factors, early detection and treatment associated with kidney disease particularly within minority groups.

Please feel free to contact us at 1-866-415-8809 or simply complete and return the event registration enclosed.
